

Recommended Doctors and Therapists:

Thank you to all the people who provided this information about their experience with these doctors.

These are doctors to consider who have worked with MRKH women. This is NOT an official Medical Referral Service.

If you know of any doctors or counselors that should be included please email me info@mrkh.org so we can update the list.

If we get negative feedback about a provider they will be removed from the list. Your opinion is important !

The MRKH Organization also has a certified sexuality educator and a medical sociologist on staff for consultation

Mental Health providers are listed in purple

Stephanie Bennett,MD	1000 SE Tech Center Drive Suite 120, Vancouver, WA 98683, 360-260-2773	WA, Vancouver	She's great. I introduced her to MRKH about 6-8 months ago and the last time I went in she had done her homework and knew quite a bit about it. It made me happy she was my doctor. I have had such a hard time finding a doctor that wanted to learn about it. I'm 32 and was diagnosed at 13 years of age.
